

Due to the aluminum walls, this type of temporary housing is referred to as a "microwave."

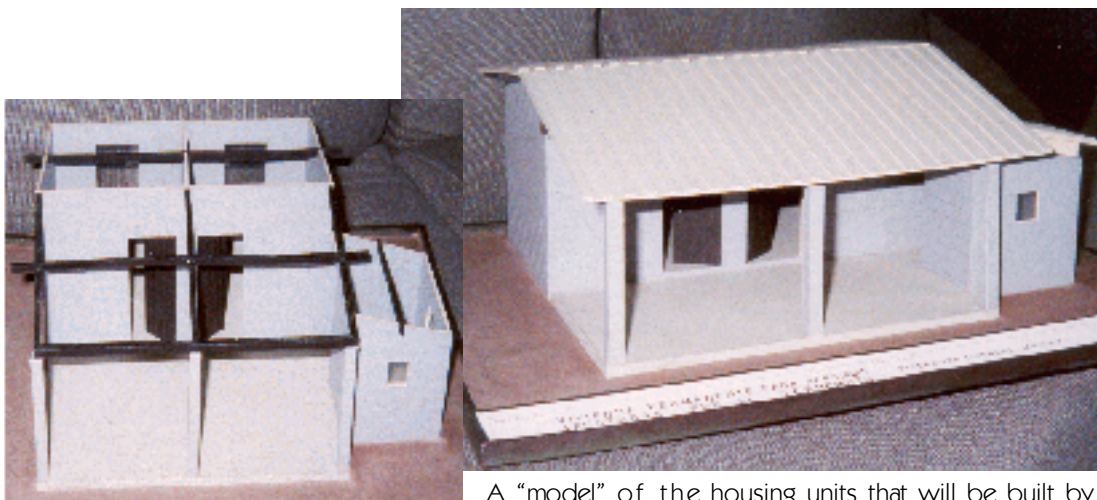

Three generations affected by the devastating earthquakes.

Ecumenical partnership... Rev. David Vargas, Executive for Latin America & the Caribbean; Bishop Medardo Gómez, Head of the Salvadorean Lutheran Synod; Marco González, Missionary in El Salvador.

The Post-Earthquakes Construction Project in El Salvador

A "model" of the housing units that will be built by Disciple and UCC construction delegations.
