Our congregation commits to being a *Global Mission Church*. We have prayerfully discerned how God would have us engage in God's mission beyond our national boundaries in covenantal partnership with Global Ministries. And we have created a plan based upon the following commitments to implement over the next three years:

1. **PRAY** regularly for partners, Mission Co-workers, and the world.
2. **EDUCATE** our members about global issues from preschool age to adult.
3. **SEEKS JUSTICE** for the "least of these" in the international community.
4. **RECEIVE** the gifts of the global church.
5. **GIVE** to the work of global mission.
6. **SENDS** our members into the world to share the Good News of Jesus.
7. **GROW** in sharing the story of God's mission with others.

We have empowered the appropriate people in our congregation to lead us in carrying out each aspect of our plan. We will maintain communication with Global Ministries as we live out our commitment to be a *Global Mission Church*.
