# GLOBAL MINISTRIES 101

## WHAT IS GLOBAL MINISTRIES?

Global Ministries is the common witness of the Disciples' Division of Overseas Ministries (DOM) and the UCC's Wider Church Ministries (WCM). Our two denominations have a formal partnership through which the Disciples and UCC share common staff, budget, programs/projects, and governance in our presence and witness with international partners throughout the global community. Global Ministries works with approximately 290 faith-based international partners in close to 90 countries.

## HOW WAS GLOBAL MINISTRIES STARTED?

Discussions about "joint action and a possible administrative merger of the agencies" began in the 1960s. These discussions led to experiments with joint offices and "common ministry" over the next several decades. In 1989, the General Synod of the UCC and the General Assembly of the Disciples each voted on a partnership resolution "to engage in mission together, wherever and whenever possible." By 1995, most offices were shared between the Disciples and UCC, and the Boards from both denominations along with the UCC General Synod and Disciples General Assembly affirmed the formation of the Common Global Ministries Board. On January 1, 1996, Global Ministries was born.

## WHY IS GLOBAL MINISTRIES UNIQUE?

No two denominations in the U.S. have entered into a covenantal partnership to do global mission together through a common structure as the Disciples and UCC have done through Global Ministries.

## WHEN DOES GLOBAL MINISTRIES SEND MISSION CO-WORKERS?

A mission co-worker is sent when a global partner makes a request for a person to fill a specific need, finances are available for an appointment, and a qualified candidate is found.

## WHAT CATEGORIES OF MISSION CO-WORKERS DOES GLOBAL MINISTRIES SEND?

**Fully Supported Mission Co-workers** are supported with salary and benefits and serve a term of three to four years. They are sent when a global partner makes a request for a person to fill a specific need, finances are available for an appointment, and a qualified person to fill the role is identified.

**Global Mission Interns** serve one to three years with a global partner. Interns must have a relationship to the church with preference given to members of the United Church of Christ and the Christian Church (Disciples of Christ). This program is open to college graduates under 30 who are willing to receive and share gifts with global partners in intentional service.

**Long-term Volunteers** serve for one to four years in response to a request from a global partner. The long-term volunteer co-worker is primarily responsible for all funding, with Global Ministries and the global partner contributing to the support package if possible.

**Global Service Co-Workers** serve from two weeks to one year and are sent on assignments identified by the global partner. Participating in a global partner's life as a co-worker is a great way to connect and learn about our partner's work during a summer break or a sabbatical opportunity.

**Associates** are given recognition as such and are members of the Christian Church (Disciples of Christ) and the United Church of Christ serving outside the United States with a church, ecumenical institution, or a project involving a ministry that is in accordance with the mission principles of Global Ministries.

## HOW IS GLOBAL MINISTRIES GOVERNED?

The Common Global Ministries Board (CGMB) is composed of six international partners, one from each of the six areas of the world in which we are engaged in mission, 15 Division of Overseas Ministries (Disciples) board members, and 15 United Church of Christ Board members (UCCB) representing Wider Church Ministries and Global Ministries.

## HOW IS THE WORK WITH INTERNATIONAL PARTNERS CARRIED OUT?

God invites us to join hands with international partner churches and walk together in mutual love and respect with our siblings around the world. Within the covenantal bonds with partner churches and ecumenical bodies throughout the world, we commit ourselves to share life, resources, support, and faith. With God's grace, Global Ministries works with partners through advocacy, dialogue, sharing people in mission, sharing resources, committing to the healing of God's people and creation, and sharing in the story of God's love in Jesus Christ.

This work is carried out by Global Ministries' five area offices staffed by Area Executives. These area offices are Africa, East Asia and the Pacific, Latin America and the Caribbean, Middle East and Europe, and Southern Asia. The area offices work with Global Ministries' program offices, including Mission Personnel, People-to-People Pilgrimages, Missionary Relationships, Resource/Financial Development, Mission Engagement, Advocacy, Finance, and Child and Elder Sponsorship.

## HOW IS GLOBAL MINISTRIES FUNDED?

A percentage of the Disciples Mission Fund (DMF) and the Easter offering from Disciples and Our Church's Wider Mission (OCWM) from the UCC, as well as money through Week of Compassion (WOC) and One Great Hour of Sharing (OGHS) support Global Ministries. Funds are also received from various endowments and special gifts provided by individuals, congregations, and other bodies of the church.
