Global Prayer for Peace in the Congo

Suggested 1-Minute Prayer for Peace

Heavenly God,

We come before You as one body, united across nations and congregations, to lift up the people of the Democratic Republic of the Congo. God, you see the suffering, the conflict, and the cries of your children there.

We ask for your divine intervention—for peace to prevail, for justice to be restored, and for healing to come upon the land. Strengthen those working for righteousness, protect the vulnerable, and break every chain of violence and exploitation.

Empower us, as your church, to be a voice for the voiceless and agents of your love and justice. Let this global moment of prayer ignite lasting change and hope.

In the mighty name of Jesus, we pray. Amen.

Suggested Script for Pastors

(Pastor may use or adapt the following just before the benediction)

"Before we close our service today, I invite us to join churches around the world in a unified moment of prayer for peace in the Democratic Republic of the Congo.

Millions of our siblings are living through conflict, displacement, and hardship. As one body in Christ, we believe in the power of prayer to bring healing, justice, and hope.

Let us pause for a moment to lift up the people of the Congo in prayer together."
